

Acknowledgements

Several years ago Professor Hiroaki Nakayama, Faculty of Dentistry, Kyushu University suggested to one of us (M.K.) that it would be a good idea to publish an English monograph on Yusho. We now would like to express our gratitude to him, because this book would never have been materialized were it not for his earnest and pertinent suggestion. We are also grateful to the Ministry of Health and Welfare which has greatly supported our research over the past twenty-seven years.

If the book is successful, it will be entirely due to the effort of the contributors who undertook with great patience the difficult tasks requested of them.

The publication of this book was supported by a grant-in-aid from the Nippon Life Insurance Foundation and by financial assistance from the Department of Dermatology, Faculty of Medicine, Kyushu University. We gratefully acknowledge their help. We also thank Professor Noburu Ishinishi, Nakamura Gakuen University and Professor Naohide Inoue, Faculty of Medicine, Kyushu University who kindly recommended us to the Foundation, and Mr. Masayuki Fujiki, the Chief Editor, Kyushu University Press who helped us in applying for the grant as well as in publishing the book.

Dr. Kaoru Inagami, Former Professor, Faculty of Agriculture, Kyushu University, Dr. Motoo Imamura, the Ex-director of the Goshiki Clinic, Hyogo Prefecture, Mr. Yoshio Hashizume, the Chief Clerk, the Food Sanitation Division, Ministry of Health and Welfare, Mr. Akira Matsuoka, the Ex-director of the Environment, Human Health & Safety Department, Kanegafuchi Chemical Industry Co., Ltd., Mr. Osami Fujimoto, Member of the Board, General Manager, Legal Department, Kaneka Corporation, and Dr. Kikuo Ohtsuka, the Chief Director of the Karako Hospital, Nagasaki Prefecture, were kind enough to provide us with invaluable information and materials. We are especially grateful for their assistance.

Finally, we gratefully acknowledge the excellent editorial assistance of both Associate Professor Brian T. Quinn, Institute of Languages and Culture, Kyushu University and Ms. Mari Kaigo, President of Globalink, Fukuoka City. Professor Quinn reviewed the Preface, Acknowledgements, Outlines of Yusho, and Chap-

ters 4, 5, 6, 7, 8, 9.1, 9.2, 10 and Appendix 1, while Ms. Kaigo edited the other chapters and Appendix 2–7.
